

**CITY OF SIDNEY**  
**SOLID WASTE COLLECTION SERVICE**  
**STARTING OCTOBER 1, 2015**

The **City of Sidney's** new automated solid waste collection service begins on October 1, 2015. Each resident will receive two (2) wheeled carts for service. One cart will be green for garbage service only. Residents are able to choose from three (3) sizes: 35 gallon, 65 gallon, or 96 gallon. A second cart will be blue and is to be used for recycling. It only is available in 65 gallon. Recycling items can all be co-mingled into this single can. See the **City of Sidney's** website ([www.sidneyoh.com](http://www.sidneyoh.com)) & the North Central Ohio Solid Waste District's website ([www.ncowaste.org](http://www.ncowaste.org)) for information of acceptable recyclable materials. Garbage routes & days of collection will remain the same as they are currently. Recycling will be picked up on the same day as garbage but only every other week. Yard waste will be picked up City-wide on Fridays only.

The following is a list of services with costs effective October 1, 2015:

**Garbage Collection:**

Cart User

Option 1 \$18.09 per month for 65 or 96 gallon
