

Service Change Notification for the City of Sidney

Each resident will be provided with one (1) 96 gallon cart for your waste collection and one (1) 65 gallon cart for your recycling collection.

You MUST call by August 21st to change your service level.....1-800-686-1732

SERVICE LEVELS:

- ✿ Waste collection (weekly) in 96 gallon carts and recycling collection every other week in 65 gallon carts.
- ✿ Waste collection (weekly) in 65 gallon carts and recycling collection every other week in 65 gallon carts.
- ✿ Waste collection (weekly) in 35 gallon carts and recycling collection every other week in 65 gallon carts.
- ✿ Low Volume (weekly) Bag Service—residents purchase special bag in rolls of 10; recycling collection every other week in 65 gallon carts.

All waste must fit inside your cart. If you find that you consistently have more waste, please consider keeping the larger container.

Carts will be delivered September 1-30th. New Automation Service will begin on October 1st. More information coming in September.

You MUST call Republic Services to change your service level by August 21st @ 1-800-686-1732.
