Lehman Catholic's cross-country team is progressing through another great year. The team includes many returning runners, as well as some new freshman. The boys' team consists of juniors Elias Bezy and Aaron Topp, sophomore Alex Vanderhorst, and freshmen Andrew Wiseman and Scott Petersen. Seniors Alanna O'Leary, Caitlin Swallow, Leah Peoples, Theresa Flood, and Miriam Bezy, junior Maria Schmeising, and freshman Maggie Bezy make up the girls' team.

Maria Schmeising commented, "The season is going very well. Most of the runners get personal records all the time, especially Maggie Bezy." Just recently, Alanna O'Leary placed seventh and Maria Schmeising placed in the top fifteen at the Sidney Invite. The team expects to continue to shave off times during the rest of their season.

Mrs. Anne Westerheide

by Carly Edwards

In addition to the new academic faces around Lehman this year, we have a new face in our business office. Mrs. Anne Westerheide is the new development specialist at Lehman High School. She attended high school at an all-girls' school - Our Lady Star of the Sea Catholic High School, in Grosse Pointe, Michigan. She graduated from the University of Dayton with a major in communications management with a minor in marketing.

Mrs. Westerheide is married to Jay Westerheide and they have four daughters who attend Holy Angels and Lehman Catholic. Mrs. Westerheide decided to come to Lehman because she wanted to be a part of the environment in which she personally feels invested, since her children attend or will attend Lehman. She cares deeply about the development and enhancement of Lehman, for the future students and the community.

Mrs. Westerheide likes Lehman because many people in the community support and care for the students who attend here and believe in a Catholic education. This is Mrs. Westerheide's first year working at Lehman High School and she is looking forward to being a part of Lehman's present and future.
