News from Holy Angels Catholic School

Mrs. Hull-Emerson Grant and Chamber of Commerce Grant

Mrs. Stiver received an Emerson Grant for her Science lab.

Ms. Ambos received an Emerson Grant for software.

Holy Angels' 4-H students. All had an outstanding fair experience with many different projects.

Spotlight on award winners!

Kudos to these HA students and staff members who were recently recognized for their hard work in and out of the classroom.

First grade teacher, Mrs. Sara Hull, Junior High teacher Mrs. Gwen Stiver, and Third Grade teacher Ms. Ashley Ambos were awarded Emerson Grants. In addition, Mrs. Hull was also awarded a Chamber of Commerce Grant. All three teachers used the grants for educational materials.

Previous Jr. High students, Angelieh Behr, Ryan Gibson, and Emma Westerheide placed in the State Science Fair in Columbus last spring. Incidentally, these HA junior high students were the only ones from Shelby County to qualify and place at the competition. Awesome!

Several HA students were involved in 4H competitions this summer. They are Abe Schmiesing, Macie Verdier, Ella Monnin, Jude Schmiesing, Marcus Allen, Lilly Tobe, Harold Tobe, Ashlyn Hamblyn, Malayna Verdier.

Congratulations to the students for their 4-H achievements this summer.

And last, but not least, HA Principal, Mrs. Beth Spicer and HA Business Manager, Mrs. Mary Jo Baker, were each awarded the title of "First Time Grandma" on Friday, September 1, 2017. Mrs. Spicer's daughter gave birth to a daughter, Silvana Grace Baker; mother and father, daughter, and beaming grandmas are doing very well!

Coming soon... Picture day is September 21.

Grandparents' Day will be celebrated on Monday, October 16th.

See you next month with more news in "HA Today!"
