It has been an amazing season for the Lehman Catholic girls' tennis team. The team has grown in numbers and in skills since last season. The returning members include the varsity team of Claire Larger (grade 11) at first singles, Sarah Gibson (11) at second singles, Melanie Brunner (12) at third singles, Alex Read (12) and Angela Brunner (10) at first doubles, and Kiera Burns (11) and Ann Pannapara (11) at second doubles. Also returning to the team are junior varsity players Shannon Staley (11) and Brianna Werling (11). New to the team are Junior varsity players Rebecca Sanogo (10), Grace Brandt (11), Kaija Steward (11), Jacquie Schemmel (11), Alexandra Hermann (12), and Skye Shi (12).

The highlights of the season were placing second at the coaches cup tournament, and at the Northwestern Doubles Tournament (where Claire Larger and Sarah Gibson won first place at first doubles), and placing third at the Schroeder invitational (where Claire and Sarah won second place in first and second singles.)

Besides placing in these tournaments, the lady Cavs won more matches than they did last year. They beat Catholic Central 5-0, Alter B 3-2, Bellefontaine 4-1, and Northridge 5-0. The Lehman Ladies tennis team is looking forward to an even better season next year. Go Cavs!

Mrs. Andrea Wilmer

by Sarah Gibson

The Lehman community welcomes Mrs. Andrea Wilmer, one of our many new staff members to join the Lehman family as the new development coordinator. She graduated from Abilene Christian University in Abilene, Texas with a degree in communications and marketing. In the past, she has worked in healthcare careers at Lima Memorial Hospital, Huntsville Hospital (in Alabama), and hospitals in Nashville.

She choose Lehman because she has family in the area and enjoys the family-like, Christian environment. She also likes expanding her skill set as a development coordinator. She loves the helpful, friendly, warm staff members, along with the safe, comfortable environment Lehman offers.

Mrs. Wilmer also loves music (especially Broadway), upcycling, auctions, and her pet cats. You can find Mrs. Wilmer's smiling face in the development office upstairs. The Lehman community is thrilled to have her as a part of our team, and continues to welcome her and the rest of the new staff members this year.

Lehman Catholic Cavalcade Yearbooks!

If you ordered a 2016 - 2017 yearbook they are here for you to pick up (if you pre-ordered one) or to purchase for \$50 if you forgot to pre-order.

And if you are missing any *Cavalcades* from previous years, we have some of those to purchase for \$40 each. They make great Christmas or graduation gifts. Call the office or stop by during the school day.
